I will miss Karen a great deal. She was one of those few people you have the privilege in this life of meeting, who truly touches you, leaves an imprint for the rest of your life. She made us all want to be better people, and because of that we will all carry a bit of Karen with us each day. I was fortunate to have had the pleasure of working with her and learning from her. She was truly an amazing woman. My thoughts and prayers go out to her family.

This past week has been a roller coaster of emotions for Karen's children and her brother, sister and parents. My heart aches for you and I pray that God is merciful and gives you peace and tranquility in knowing that Karen is now watching over all of us and she is smiling. I miss her so very much and there will always be a void but I find comfort in knowing that she is holding Jesus's hand and walking through His garden now and probably even teaching Him a thing or two about gardening. I will always carry Karen in my heart and my memories. I will always carry her family in my thoughts and prayers. God rest your soul Karen. You are truly missed beyond comprehension. You definitely left your imprint on my life and my heart. Till we meet again....love, Debbie

My dearest friend and sister Karen. You have always been the "calmest" of the group. Always with a smile, and bouncy hair. You have departed to quickly leaving a void in our heart. We will always love you. You will always be part of us and never forgotten. God needed another angel to help with all his duty task, and he called upon you. Rest your head now and keep smiling. Love you dearly.

My life as I know it is forever changed. My sister Karen has raised two awesome children. These two adults are so strong and bright. The decisions they have had to face were like great mountains but they conquered each and every one over the past couple of days. With the loving support of my Mother, my Father, my Brother and ALL of our Families combined we will persevere. God help us as we go through these next few days and the rest of our time here on earth. To my family ~ I love you! Warm Regards, Kathy, Aunt Kathy and of course Mom

I was saddened to hear about the passing of Karen. Karen was a wonderful compassionate person. For many years Karen and I worked together for FRC. I remembered often Karen would come over to my department to meet with the CEO. You could always tell it was Karen coming by just her fast walking. Always business like. She was a "smart" person but a good person so likeable and pleasant. "I will miss her". To the family, hold onto the fond memories that you have of Karen and know that she is an angel now watching down over her loved ones. Be encouraged. ~Maxine Peterson (co-worker)

My heart goes out to Christine and John, Kathy and Jack and Mr. and Mrs. Lineberry. The world has truly lost an incredible earthly Angel. Karen was my mentor and my hero. I've known her literally half of my life. I have worked with Karen in Leesburg and in Fairfax and she has always been the best boss any person could wish for. She was such a caring, giving, compassionate and precious soul. I will miss her more than words can describe. May God wrap you all in His loving embrace and hold you tight through this most difficult time. There are no words that I can say that will ease your loss or pain but I must tell you that Karen was very much loved by us all at FRC and they will never be able to replace her. She was not only my boss but my friend. I will miss her forever. She so loved her family and spoke fondly of them always. She never had a harsh word for anyone. She was always and will always be, in my heart and memories. Karen was the type of person that left imprints on a person as she passed through their lives. She has touched every life in a special way. God rest her beautiful soul as she now watches over her family. Find peace in the thought that she was so well loved and respected. She was a gracious and caring person. This world will never be the same. My thoughts and prayers are with all of you at this sorrowful time. God Bless.
