Chuck, Charles, Daniel and Matthew- I have been at a loss to what to say to honor Susan's memory. She was such a passionate mom and just a cool person. You kids have this awesome foundation that she build for you so you can be successful adults. I always admired the gift she had with connecting with dogs. I was in awe on how she was able to assess our dog on her temperament and personality (our dog is really a weirdo!) Her love of pets and their well-being has stirred me to continue to only adopt homeless pets into our family (yes, our weirdo dog is not going to last much longer) and to assist the HART organization with a donation in her memory. May God bless you all and I will pray for peace and sustenance as you continue on your life journey.

Chuck, Charles, Dan and Matt - I just heard the news and I am so, so sorry for your tragic loss. We really enjoyed our talks with Susan every time we saw her while we lived in South Riding and thereafter. She was a "very" special and unique soul that touched the lives of everyone she met, especially us. She will be sorely missed. May you find peace as memories of her continue to live on in your heart forever and may it give you the strength you need at this hour. Our thoughts and prayers are with all of you - please let us know if you need anything. With our deepest and sincere sympathy. Cody Moore and Anita

There will never be another Susan Constantino for sure! She was a special, unique lady! She was a real "mamma bear" when it came to caring for her boys--all 4 of you! And how she loved to pull out her pictures of you young ones! I am so sad for you, but I know you all have the strength to carry on. All of you are welcome at our house anytime. J.O., Liz and Eddy

Chuck, Charles, Daniel and Matthew, First let us say that we are so sorry for your loss. We will greatly miss Susan as a friend and a good neighbor. What we will always remember about Susan was her directness (she was never shy about calling things as she saw them!) and her willingness to be helpful whenever we needed something. She was always happily and cheerfully there for us when we needed her help with something - it is rare to find that in a neighbor nowadays. We loved her dry sense of humor and her great laugh. Most of all we will miss seeing her always friendly wave, her greeting us with "Howdy neighbor!" when she saw us on the street and her kidding us about her being the "awful owner" (inside joke) of our old Honda! You are in our thoughts and Susan will always be in our hearts and our memories. Kim and Susan Hemphill

Chuck, Charles, Daniel and Matthew, My heart is broken to hear of Susan's passing. She was such a shining star and I always felt she was a kindred maternal spirit when it came to Joey and Charles. Now we must trust that her inspiration will continue to touch our hearts just as her light will remain undimmed by her absence. You are all in my thoughts and in my prayers. May God speed your healing and give you comfort and peace.
