This comes as a complete saddened shock to me. Doug was my sons baseball coach. He is the one who made the numbers "714" significant to us and the Dulles Little Team who was a part of that team knows that number as well. I am so sad to hear of Doug's passing. He was a great man and I will miss my weekly run-ins at Giant. Great memories of you will live on forever. You will be missed for sure! My thoughts and prayers are with Barbara, Chris and the entire family. The Jenkins Family

Doug was my brother in law and one of my best friends and confidants. You could always talk to Doug and he listened, then offered sound advice. He always found a way to make everyone feel important and he knew how to bring out the best in each of us. He had a special gift of a great sense of humor and could brighten anyone's day. There will never be another Doug Payne. Anyone who knew Doug was so very fortunate because he gave them the blessing of love. His devotion to his family and friends was the epitome of what life is supposed to be. and his first priority was to take care of his son Christopher and my sister. I will miss Doug so very much. He was such a pillar of strength for me and my son Les during some rough periods and he taught all of us how to give far more than he received. God Bless you Doug Payne..

So sorry to hear of this news. May God comfort you, Barbara and Chris, in this time of grief. I have a million fond memories of Doug Payne. One of my favorites is one year when we went to the Vanness cabin we walked back from the campground with him leading the way with a flashlight. I felt safe with him. In those days I thought of him like a brother. Sadly, it has been a long time since I have seen him, but I will look forward to seeing him again in an eternal kingdom. He was a great friend, brother, and all around wonderful person who I'm sure will be greatly missed by many, many people. Katy Manning

Rest in Peace, Dear Brother. Your passing was a tremendous shock to us all. I will always remember that when we were together it was like a Laugh Riot, The Keystone Cops, Laurel and Hardy. We could make each other crack up and all those around us. You were a gentle soul, a loving husband and father. You were just an all around good guy and, as many have said here, a blessing to the world and all around you. The world is a bit worse off now that you are gone. You will be sorely missed, but I know that you and Dad are now at peace and, probably, joking with each other like you used to here on earth. I love you, Little Brother.

Doug was more than a friend. He was more like a member of my family. He helped move my mom for Pimmit Hills all the way to Orlando, Florida, and he did it with a smile on his face. The comments here are correct--the world needs more men like Doug. His close personal relationship with my brother, Don Vanness, and his entire family was one to be admired. Doug was loved by one and all, and I am deeply saddened to hear of his passing. Rest in peace, my friend and brother. My deepest sympathies to his family.
