Cindy and the Shreve family. I can't tell you how very sorry I am that you have lost your Mama. While I only knew her briefly she was truly a "southern belle" and the matriarch of the Shreve family. I know the hurt and pain you are going through but now she is with God, your Dad and Aukie. I know how badly you will miss her and feel you have lost a huge part of your life which you have. But time will heal that hole in your heart and you will move on. A door has closed in your life and a new one will open for you. Please know you are in my thoughts and prayers and I am here for you at anytime. God Bless you Granny Shreve you will be sorely missed by everyone that had the pleasure to know you. I just heard the news that one of the original southern steel magnolias passed away last night- Granny Shreve. I had the pleasure of knowing her, and sitting and chatting with her many times, when we boarded our horses at Maintree Farm in Leesburg. Her wonderful stories- she knew everyone and everything about everyone!!! Her adorable, yappy little rat terriers were always at her feet. She had an old mink coat out on a porch chair for the barn cats to lie on, so they could be comfortable.....there was no messing with Granny. She even drove out with Ken, when he brought my horses to our new house- to see where we had moved to. I missed our chats after we moved away, and am sorry I never got back up that way, but will always remember her. She always said bring me flowers while I am alive and can enjoy them, and I did, from time to time. Granny, I will send you one more bouquet. She was a stand out character that I was glad I got to know.....
