Just a fond farewell to a friend out of the past. Betsy was a friend in our school days It is nice to read hear how successful and loved she was in the years after we lost track of each other. May all the 'candles' she lit continue to shine,Bobbyee Bolster Davidson

The year I was a junior at LCHS, we noticed there was quite a lot of smiling going on between the guidance office and a certain Math room. By the time we were Seniors, "Miss Joyner" was "Mrs. Scholz." :~) I always appreciated Mrs. Scholz's steady helpfulness, as well as her wry humor. She and my mom (an English teacher at County) worked together for years after I graduated, and they shared a similar commitment to going the extra mile for students. Thinking of Betsy today, I felt her loss not just for Fritz and the family, but for our extended LCHS family, many of whom have expressed their appreciation of her spirit on Facebook. I send prayers of peace to Fritz and the rest of the family. You have lost a sparkling jewel, yes--but she is still shining.--Mary Hunter Leach, LCHS Class of '73

My deepest condolences to the scholz family. Mrs Scholz was one of the greatest influences on my life. She sat me down one day early in my senior year and asked about my college plans. I told her I had none so she made a plan. She helped me get signed up for SATs, pick out colleges, and get the applications done. Without her, I would not have be a college graduate. She was a great person.Fawn Munro--Class of 1984

Mrs. Shipp, this is Bill Thompson from Spanish class (it took me 3 years to get through 1 and 2!). You were very patient and I will never forget you. I was also very saddened to hear of Mr Shipp's passing. The love and dedication you brought to LCHS will always be an impact on my life. I think back to you, Jerry, Fritz and Betsy and realize how important it was to have all four of you in my life. Thank you!!!

Mrs. Scholz, then Ms. Joyner, was a Godsent to me during my high school years. She believed me and in my ability to do good in school and after. She encouraged me to take classes that she knew were challenging but yet knew I could do well in and would be a benefit to my career after school. She treated each student as if they were her only student. Rest in peace Mrs. Scholz. Your rest is well deserved.
