Katherine was always kind and helpful when I worked with her at Park View. The Coopers spent many evening hours with me when I was a rookie teacher, allowing me to share their dinner hour chatting about our work. Later when I did adult ed night school they were most helpful when I needed it. They were special people you don't find every day. They were also extremely proud of Don's accomplishments. I'm sure Katherine has joined Charles and is watching over all of us that had the pleasure of knowing them. Andrew Peterson - Nov. 2 @ 9:30 PM

Katherine was always helpful. She and Charley made my job much easier because of the late nights I often was at PV with my teams. I am sad that we have lost another member of our Patriot family.

Bruce and I send our condolences to the family. Katherine worked with us at Park View until her retirement. We loved both her and Charley. She is reunited with him now. She always took pride in her work and everyone counted on her in so many ways. Bruce and Bobbie Johnson

We were saddened to learn of Mrs. Cooper's passing. Her son, our neighbor, can surely take some comfort in knowing that he did an admirable job of caring for her in her final years. We know that he will miss her, especially in that he has now lost his mother within less than a year of his father's death. They are all in our prayers. Terry and Dayle Davies

Deepest sympathy is extended to the Cooper family. Katherine thoroughly enjoyed being part of the Park View High School family. She took pride in her work and her contribution to the high school and well she should have. We worked together in several capacities and I could always count on her truthfulness and support. May she rest in peace (with Charlie) Anne Brooks
