Joe was a wonderful person. My husband and I worked with him on his very first day at Dominos pizza in Leesburg and continued working with him until he went to Countryside. Always had a smile on his face that I will never forget. May his family find comfort from the good Lord above. Love, Bill and Kim

To the Watson family, I want to let you know how important Joe was and will always be in my life. I actually wrote a detailed message that I wanted to post here, but unfortunately this site limits how many words can be used, so I will refer you to the post on my Pro-Life Unity website at: http://prolifeunity.com/index.php/site/article/shoot_a_swish_for_me_in_heaven_joe_watson Though we only knew each other in the store and in Domino's clothing, Joe was an important person in my life and I had great respect for him. I still can't believe you are gone. I was so hoping to see you when I get back to the states for a Watson special at Dominos. We worked together for 3 years and you definitely helped me out with a lot of problems. Great person and human being so sad this happened. I feel extra horrible since I drove you plenty of times to turbo your car in the middle of the night. My thoughts and prayers go out to his family. I cannot attend the funeral since I am not in the country but really wish I could.
