My deepest condolences to the family. Losing a dear loved one can leave a very empty space in one's life. Please find strength, hope and comfort in the God of Comfort (1 Corinthians 1: 3,4). You can read or listen to the Bible online at [www.jw.org](http://www.jw.org)

**Amanda P** sent a virtual gift in honor of Cathy.

I had the privilege to meet Mrs. Cathy at Birkitt Dental. She was an extremely happy and positive woman. She was always smiling and laughing and somehow always had this glow about her even after everything she had been through. I enjoyed our hour conversation about her dog, her sons dog, and my dog and her trips to the park (she had me laughing the whole time). Her positive spirit will be missed!My thoughts and prayers are with the Grimes family. Sincerely,Amanda P.

The world has lost a beautiful person, loving mother, and caring friend—Cathy Grimes. I met Cathy and Bob shortly after I moved to Fort Evans Apartments in Leesburg in the early 70s. Cathy and I were part of a five-member bowling team and had the best time. We all wore our hip huggers, big belts, and body suits. When we were around Cathy, we laughed a lot—and she always had a smile. She absolutely adored and loved her boys, Eric and Greg. When our children were in high school, Cathy and I served on the PTA. My husband Dennis and I send our deepest sympathies to Cathy's family. Please let us know if we can help in any way. Greg, I am so sorry. Dennis and Liz Turner

I met Cathy at Fort Evan Apartments 1967. She was the sweetest person with a great personality. She moved out of Fort Evans and several of us moved out to the same place side by side. Our children spent so much time together. In and out of every house. Cathy treated each child like her own. I always had great talks and laughs. I will miss Cathy. She was a super lady and loves her boys. Now she will be with Eric again. You will be missed.

Some of my best child hood memories are with Cathy. The trips to the swimming pool laying in back of her white station wagon, the trips to the movie theater, the roller skating rings, the sleep over's and always making me and Eric the best popcorn! I was at her house just about every day for 16 years. She always made me feel right at home. Making sure I had lunch. If not she would always make me eat something.Loved them stovers bread pizzas she would make me and Eric. :) I believe with all my heat and soul I will get to see and be with her, Eric, and all our loved ones again. As the Bible says...To die is to gain. Thank you GOD/Jesus.

Aunt Cathy is one of my favorite people in the world, but I am sure my sister and brothers, and all of my cousins would say the same thing. She was always so much fun and made you feel so incredibly special. I have so many wonderful memories of growing up looking forward to her visits, and sharing wonderful moments as an adult with her. They are getting me through this time. Greg and Uncle Bob, I love you both and pray God's wonderful love envelopes you and brings you peace!

Aunt Cathy was always there to lend an ear, quick to give a hug, and always had the best way of making you feel like you were the most special thing in the world. Words cannot bring justice to such a beautiful soul. I cherish each of my 30 years that I was privileged to call myself her niece.
