Lanachka, You were one of the most unique friends I have ever known. Words cannot express how much I am going to miss you. I love how welcoming you were and always wanted to take care of our family. You always cooked our favorite meals (with perfectly cubed potatoes, cheese platters, lamb, anything we wanted) and when I wanted the recipe for something, I always swore you left out something important because it never tasted the way you did it. You were my fellow Michael Jackson lover, and so so much fun. You treated my kids like your own and I am so glad for them to have those memories of you. I wasn't ready to say goodbye to you, but I know that one day I will see you again, and I will hear my friend call me Kimochka. My thoughts and prayers are with your family.
