M atthew Arthur Hipsley

March 16, 1983 - April 13, 2014

Matthew Arthur Hipsley, The Son of Glenn Hipsley and stepfather Morgan Coombs passed away Sunday April 13, 2014 leaving behind his wife Samantha Rhodes Hipsley and two children Nolan, 7 and Nathan, 4. Also stepdaughter Mariya Frye, 15. Sibling sister Melissa McKimmey, stepsister Janelle Bohrer and

Matt grew up in Loudoun County and attended Loudoun County High School. He graduated in 2002. Matt was a very family and friend oriented person. He didn't know how to say NO to anyone. If you needed him you could always count on him. Matt was the most happy, loving, caring and thoughtful person anyone could know. He was the best husband and father that we could ever have. He was always smiling and loved life to its fullest. Unfortunately 6 years ago Matt was diagnosed with ITP which 3 years later was the wrong diagnosis. On October 31, 2011 Matt traveled to John Hopkins for a second opinion and he learned that he actually had some type of Bone Marrow Failure. That was a sad day for Matt and the whole family. Since last July 2013 Matt was in and out of the hospital for the past nine months. Matt was the best person and he will truly be missed. God love him!!

I want to offer my heartfelt sympathy and prayers to all of you who are grieving. Matt touched all of us with the love and passion he had for his family. Even in the midst of all he was going through, he was concerned for his family-especially the kids. I will always remember Matthew and some of our staff singing "Happy Birthday" to the kids so that Matthew felt better about missing the party. Matthew himself was preparing to be transported to ICU for closer monitoring. Our staff grew to love Matt very quickly and very deeply because that is just the kind of person that Matt was.

HELLO TO ALL THAT KNEW MATTHEW,I could not have asked for a better son. Matt showed me that he had the right stuff to get married to a very loving wife and have 2 wonder boys and daughter. I hope he would like auto mechanics, but he was honest with me and said not really. We talked about it and asked matt about home/industrial electricity. Matt said he would try it and see if it fit him...and WOW did it ever. Matt was very excited about the job. Matt started with our friends next door. Matt had a great work ethic.It was heart warming to see how many lives he touched and a long list of friends. Matt was a out going son and what he said, he would do.Matt's death hit hard to everyone. I wish I could tell you more about him. There is not enough time and may fill a book. (I bet it would be a best seller.) I will tell you over the phone our in person. your choice, my thanks.Matt is a loss to use all and has left me with hole in my heart.Morgan Coombs

I will always remember Matt for what he brought to my brothers life. My brother worked with Matt for a while during a very troubling time in his life. He had talked about this really great guy (new friend} he had meet that was keeping him out of trouble and talked of his loving wife. My brother thought, I'd really get along with her because we were a lot alike. I never met this Matt, but I know that he helped my brother see light while recovering from a life of darkness. It wasn't until I ran into this Matt and Sam when our son's happen to sign up for the same T-ball team. Instantly myself and Sam became friends. I believe that God does this to us sometimes. I thank Matt for loving my brother and giving him reason to straighten out his life. I will always be thankful for what he did for my family and brother. Although our friendship was brief, I feel honored to have known him. Matt, you will truly be missed. God bless your soul.Rebecca

Only a few people in this world have a pure soul. Matt was one of those people, a rare find. You felt it every time you were around him. He was a person that was filled with life, his funny laugh and his joyous smile were so contagious. His heart was one of a kind. He would reach out a helping hand to anyone in need, one of the most selfless people I've ever met. He had this energy about him and an appetite for life. I have so many amazing memories with him and will cherish those forever. I was lucky enough to have been blessed with him in my life. Sam, you and your family are in my prayers!!!!

Knew him since Middle School. He was always, *always* a candid, stand up guy. I respected him and am truly sorry he's no longer with us. I remember when we played football together at Loudoun County as sophomores. The hardest hit I ever took was when him and I collided on tackle of a person on the opposing team, which caused me to have a "stinger". We had a laugh about it on the sidelines, as we were both hurting, me much more than him though! Haha Overall, over the years, we had classes together and were always cool. I loved the fact that he was an easy-going, straight-shooter. He will definitely be missed.
