Teague Curtis Miller

JUN 11, 1973 - AUG 20, 2014

Teague Curtis Miller, of Leesburg, Virginia, passed away suddenly on August 20, 2014 at the age of 41.

Though far too short, his life endures in the countless memories he created for the many people he touched and the lasting influence he'll have on those he leaves behind. Teague's energy filled the room; his humor was infectious; his smile was bigger than life.

He loved golf, fishing, the Redskins, Natural Light, labrador retrievers, Mel Brooks films, a good 80's hair band, long nights at a card table and long days on the river – though not necessarily in that order. Mostly, though, he loved his family and his friends, for whom he had great devotion and boundless love.

Teague was born in Fairfax on June 11, 1973, raised in Leesburg before the arrival of outlet malls, and graduated in 1991 from Loudoun County High School, where he studied Latin and excelled at tennis. The friendships he forged in his earliest years lasted to the end.

He is survived by his mother, Marlene Miller; his sister Denise; his brother Scott; and his nephew and niece, Tristan and Bailey. In addition to his aunts and uncles, he leaves behind his other “brothers and sisters”- his cousins and childhood playmates who grew up to be his forever friends. He was preceded in death by his father, James “Butch” Miller, the luminary of Teague's world whose inspiration cannot be overstated.

As we grieve the loss of our family member and friend, may we honor his memory by remembering how he lived, rather than how he died.

Memorial services will be held at Loudoun Funeral Chapel, 158 Catocin Cr. SE, Leesburg, VA on Saturday August 30th, at 1:00p.m.

Teague had such a big, warm heart. I'm so happy to have crossed paths with him. I worked in the same business building with him back in 1998/1999 and we dated for a couple of months. Although it did not materialize into something serious, we became really good friends. Who would periodically meet up and sing at open Mike night at balls Bluff in Leesburg, although we thought it was karaoke night. We sang wish you were here by Pink Floyd and it was such a hilarious moment. here I am 11 years later still take comes to my spirit and it's just unfortunate that he's not here with us. I gave birth to my son in January 2014 and I hadn't talked to Ty in many years and I had looked him up and I was really sad and that I had found his obituary a week after he had passed away. He was such a special person and I just send all my love to her sister Denise and his mom, Marlene and his brother.

I knew Teague when we both worked at Old Mill Boarding Kennel. I decided to look him up to see if I can find him. I haven't lived in Virginia since 2006 and just found his obituary. It's heartbreaking and so sorry to find he's no longer here. He was a sweet guy and we had a lot of fun working together. Sending Love to him and his family.

Sincerely, Theresa

I became friends with Teague after highschool and we had so many fun and crazy times in Leesburg with his friends.. Afternoon tennis turned into a fun party in the evening with those guys! Teague was always joking around and I will never forget him starting "Battle Royale" when he felt like getting roudy and wrestling with the guys. More recently i was fortunate enough to spend some great times with him and the whole Miller family at the river.. Teague I will miss you so much you were really one of a kind...
