Played volleyball with Dan for many years at USGS. Simply one of the nicest men I've ever met. You couldn't help but like him. His dedication as an EMT, Search & Rescue volunteer, and his trips to aid in South America show what kind of person he was. It was a honour to have know Dan. My deepest sympathies to you.Mike Doughten

Sorry to hear about Dan's passing. I just found out. I used to teach CPR with Dan for SVRS. My ex wife, Karen, used to play volleyball with Dan. She recently passed as well. They are in a better place, and are friends there as well, I am sure.
