Dear Wilma, My condolences to you and your family. I know that Shelby was practically your daughter and you will miss her deeply. I don't remember meeting Shelby but I do remember how your eyes would light up when you showed me a picture of her or talked about something she had accomplished. You would say, "That's my baby" and I could see and hear your love for her. There is really nothing I or anyone can say or do to ease your pain. Only God and time will work that miracle. Just know that Shelby is home with God now and she's at peace and she will meet you at the Pearly Gates! Love from DT and your family at Asmar, Schor & McKenna.

My sincerest sympathies to Shelby's family. I can not remember one time that I didn't see Shelby with a smile on her face that she always shared with everyone. She always had kind words for everyone and always found a way to make you feel good about yourself. God truly blessed all of us for sharing Shelby with us. Fly high, my friend, and sing a little louder so we can all hear you !! Much love !!

It is my prayer the God gives you His promised peace that passes your understanding and His joy that assures us that Shelby is now with Him. I leave you with the thought and reminder that Shelby believed and sang so sweetly with SJCC: G"od is sovereign and who am I to question His will..."  
Rest in peace sweet girl and enjoy your reward!
