Most of my memories of Demski are of childhood - at Cambridge and OLOL. I have a very clear picture of someone who loved to see others laughing and enjoying themselves, with a gentleness in the way he carried himself. I am so sorry and hope that you feel covered in prayer during this time.

I taught Michael in chemistry and physics at Emerald. He was in my son Patrick's graduating class. I have so many happy memories of Michael but my favorite is while I taught him the HVAC unit always made a crazy noise when it kicked on and Michael always said it was the rabbits playing up on the roof. It always made the kids laugh. He liked making folks laugh. I am very sorry for your loss. You will be in my thoughts and prayers. Sincerely, Laura Lutz

Kevin, Sue and Matthew, we were so sorry to learn of your loss. We have so many memories of Michael as he grew into a young man. I particularly remember riding to Greenville to go to Frankies Fun Park and Michael in the back of the van really getting into the song "Smooth." and singing along to the radio. Good times. We are praying for you all during this difficult time.
