Cathy, Cindy and CeeCee, Your hearts are heavy with sadness at this present time, but as time goes by the sadness and tears will be replaced with many, many memories and laughter. A Father's love is unconditional, they are mentors, friends and their little girls' Heroes. As the little girls' grow into to strong woman theres no man better then her daddy, he may be gone in presence , but that hero will forever live in your hearts and memories. I have lots of memories of your dad, Your dad was the one who gave me the nickname "POTTIE" that carried with me through school and my adult life. You all are in my hearts and prayers, may God bless you all with comfort and memories. Love ,Cathy (Potts) Dickinson....(POTTIE)##imported-begin##Cathy (Potts) Dickinson##imported-end##
