He was the best brother to my dad, Frank Curtis, He looked after him and I could always find dad through Q.T. I remember when he came to know our Lord. He was so excited and Aunt Charlotte was thrilled. She had prayed for him for so long. I know he is in the better place and will have no heart ache or pain. We should all be so blessed. He was an Uncle that I admired so much. My prayers are with Heli and family. It is a very difficult time. You will see him again. Dear Aunt Hellie and all my cousins and second/third cousins-I send my condolences to each of you. I know my mother, Wanda, loved Tommy very, very much and I've enjoyed getting to know all of you throughout my lifetime when our family visited Virginia. I knew through my mom that Tommy fought a hard battle at the end, and I know he must be better off now. He had a great sense of humor and always made me laugh when I was honored to visit him the few times he came out to Texas. Your family is in my prayers and I pray that God will comfort each of you during this hard time. With love-Sandie##imported-begin##Sandie Slye Parmer##imported-end##

Tom Bridges was one of the most "down to earth men" I have known in my lifetime. You never had to wonder what was on his mind because he would tell you. I always enjoyed sharing stories with Tom. Although Tom was my wife's brother; I always considered him, and loved him as my own brother. Pattiand I have so many fond memories of the past fifty years as our families have grown up together. Our thoughts and prayers are with Heli and their beautiful family. May God Rest Tom's Soul##imported-begin##Charles McLane##imported-end##
