I can't imagine what my life would have been like with Mr. Cameron in it. His love for music and for his students infected me with a love for music that I've had ever since. I sang with the Masterwork Chorus for 28 years only because he took several of us to see a concert by the group. He was a genius and a warm-hearted, loving man. I'm so happy he finally found the love of his life and had so many wonderful years with a family! I've loved you for 42 years, Mr. Cameron and will remember you forever.##imported-begin##Vera C.
