I will always cherish the memories of your Mom and mine - always laughing - that special bond with sisters. I will miss her, as well as Uncle Bruce, but the memories will live with me through the years of my life. Thank you Jim and Ginny for your hospitality. We were so sorry to see the notice of Fleeta's passing and not so long after Bruce . We were neighbors for a few years about 27 years ago and they were the best kind of neighbors always ready to help with the children , pass along something freshly baked ,or just to pass time with. Many years have passed but we remember them both fondly and wish to express our sympathy to Jimmy , Frank and the girls as well as all newer family members since our time . Our prayers are with you.
