Drew will be missed. I just want to remember the last time we spent together in the summer, we laughed together and had a good time. I'll always remember the time when I asked if he would take pictures at my wedding for me, he jumped right in and did for me no questions asked. We know this isn't the end of things, we hope to see you again. Love you, your cousin, Charleen##imported-begin##Charleen Grant##imported-end##
