Heather & Erin, I'm so very sorry for your loss. I went to High School with you and worked with your father a few years ago. He was a wonderful person to work with and just talk to. I looked to him for advice on many things. He had many words of wisdom and I knew he was a great father to you. I sadly also just recently lost my father. If you need anything please don't hesitate to ask. I know I'm not a close family member but I do weep with you in this difficult time.##imported-begin##Vicki Pritchett (Kendall)##imported-end##

I will always remember Jim for the solid support he gave as a co-worker at Winstar. It was a pleasure to have known him and to have spent time with him. Most of all I will remember his wit. Jim and I both enjoy a good pun and he knew and told many. Our deepest sympathies to you Sandy and the family. We were enriched to have known Jim.##imported-begin##Hugh & Dianne Thomas##imported-end##

Thank you Jim for being a colleague, a friend and most of all one of my esteemed mentors at WinStar! The word "nebulous" (among several others), when used, will always remind me of Jim. I will also always think of Jim when I hear a "pun" (no pun intended!). Sandy and the Kelly family..thank you for sharing Jim with others that came to know him. He had a profound effect on us all! We are genuinely grateful.##imported-begin##Mary-Estelle Prosser##imported-end##
