Dear Brian and family, Priscilla was truly a special person, we only had a few conversations, but I felt so loved by her and appreciated the opportunities to spend some time being her cousin. thank-you for your wonderful and devoted care of her. She told me she had the most wonderful husband in the whole world, I know she loved you a great deal and your devotion attests to your love for her. I am so sorry that I can't make the services, but my heart, love, sympathies, and prayers are there for all of you. she is with the children and parents that have gone ahead and she's patiently waiting for you all to join her, I'm sure. No more suffering, no more pain, I'll get to meet her someday in glory. Take care and feel free to call (703) 847-6144, if you ever just need a friend to talk to.##imported-begin##Elizabeth Stanley##imported-end##
