Everett lit a candle in honor of Carolyn May.

Hi Sis, I've been thinking about you often and miss your smile! Say hello to Mom for me, although I know you both can hear me when I talk to you. Love always, Everett

John, I was shocked and saddened to read about Carolyn's passing in the Loudoun Times Mirror. I recognized her picture immediately, still radiantly beautiful, just as I remembered her from years ago. You were both blessed to have such a special bond as big brother and little sister and I know she is watching over all of you; until you meet her again in Heaven. I wish to extend my deepest sympathies to you and your family; whom I have always remembered fondly. You are all in my thoughts and prayers. With love and God's blessings, Aileen Harbert

It has been a week since my Little Sister was laid to rest and yet it seems like only yesterday. I know that she is at peace and that it is those of us that are left behind that are troubled. We will all get to see her again when we are called home and she will be there to greet us with that great warm smile that I miss so much. I want to thank you all for loving my Sister and being there for us. I love you my Little Sister Rest in Peace I'll see you again and talk to you often. Love your big brother, John R. Howard

Carolyn, you were such a beautiful girl with a wonderful smile and a good friend to all. You have a great laugh that was so warming on the inside. Sorry to hear you passed with so much more life to live, but you have touched so many and left us a wonderful son to carry on for you. May he be strong and have the strength to carry on and remember all the great times you shared with him. God bless your family and friends and may you rest in peace. Look down upon us now and know that you are dear in our hearts. Until we all meet again...

Eddie and I will think of her every day. We spent so many fun times together and went through all the other things that friends do. We shared the angels and fairies in all things especially in our love for each other. You were with us this day as we stood on the deck and listened to the wind chimes. Your laughter came through loud and clear, your joy of everything in life and the beauty which you held in our heart. We know that you are with us always. Love everlasting.

I went to Belt Jr. High School with Carolyn and soon after moved to California with my parents. Carolyn and I never kept in touch afterwards, however I remember her fondly. I'm very sorry to hear of Carolyn's passing, and obviously somewhat shocked. I'm sure she grew to be a wonderful adult and will be sorely missed by all that knew and loved her. What a terrible tragedy! May Carolyn rest in Peace!

My heart is so sad...I can't believe Carolyn was taken much too early. She was one of the loveliest, most thoughtful and nicest ladies I had ever known. We laughed together often...had dinners and visits. I know she is a special butterfly in heaven. My heart, thoughts and prayers are with you all. God bless.

For my friend and my soul sister Carolyn Unbenounced to her, to so many people a GOD SEND. In her presence, being ourselves we never have to pretend. Her beautiful and piercing eyes will be missed. My wish for her now is she knows how many lives she truly blessed. Carolyn often sold herself short of the beauty she exuded. The wonderful gifts in life, only to others she included. My friends GOODNESS was miss-interrupted as vulnerability. That no matter how much we explained to her – she refused to see. The smell of her – the Baby Soft Jasmine. Is one of those things in her new life we continue to imagine. The inspiration of Carolyn's journey on the river of faith, hope and companionship. Is the love of her son Christian and the growth of their relationship. Carolyn will always be my guardian ANGEL. She left her mark on my world with her magnetic smile. ##imported-begin##Mandy & Cliff Miller##imported-end##
