Lori - when my mom died, a friend sent me this....On a sundial on the campus of Mt. Holyoke college in New England, there is an inscription that reads, "To larger sight, the rim of shadow is the line of light." Death is only a momentary rim of shadow. Behind it, waiting, is the radiance of eternal life. I hope these words provide some measure of comfort to you as they did to me. I am sure that memories of your mom will be ever more precious to you now. In love and friendship -
