Dear Suzy and family, On behalf of The Woman's Club we express our sympathy to you. I watched the video tribute to Robert on line just a moment ago. It's always amazing to me to discover the connections that we have with one another. Seeing the barn on the farm where you lived brings back so many memories for me--since I grew up there in that home. May our Lord watch over you in the days of sadness for in the midst of that are also the moments of joy. We love you. Joann Muncy
