I want to personally thank everyone for all their kindness and support to myself and my brothers and sisters. At times like this we need to support each other and understand we all grieve differently in our own individual way. Our family members in Martinsville have been so supportive in helping us get through this time of sorrow and we are forever grateful. We will miss our mom dearly.##imported-begin##Carol Anne##imported-end##

I loved you Mom and you were my mother from 1972- 1988 and I know that you will be missed greatly. We did have a lot of good times and I remember when we use to ride to work together when you worked for Scotty in the cafeteria and I worked for the County of Fairfax. I will remember all those times, and there is so much I remember. I love you Mom RIP Betty##imported-begin##Betty Wilson Summers##imported-end##

It still hasn't really hit me yet. But I know I will have to face it soon.. When I was little you always made me eat those nasty vegetables even if I didn't like them, and if I didn't eat them at dinner they would be waiting for me at breakfast.. I used to hate that so much.. But now as a mother I now understand that you were only trying to make sure that I was eating healthy.. I see myself doing the same things to my kids. I am not going to be mad at the time I missed with you, I am going to forever cherish the time I got to spend with you.. Remember the good times and the bad...You will forever be missed in my heart.. I miss you grandma..Love your granddaughter pamelal##imported-begin##Pamela Brandi (granddaughter)##imported-end##
