David and I are so deeply saddened by Tina's passing. She and I often shared phone conversation and occasionally talked about our faith. Tina, more than once, discussed with me her belief in Jesus and I know this day she is in His loving arms. She was a dear, sweet, precious girl. I loved her and I will miss her greatly. I offer my sincere sympathy and support to her dear little girl Katherina as well as her other family members.##imported-begin##Maryjean Hartman##imported-end##

Hi Mrs. Bell. It's me, Katherina. How are you? It's been a long time since many years ago huh? I'm doing great in the life that I have. I miss being in Lovettsville and seeing all the familiar faces. I would come by sometimes and take a look at the school. I went inside once, and I swear nothing had changed. Paintings of the bear and others are still there. I tried to look and see if you still worked at the school, only to find that you moved to a different job. I really missed you, and everyone else that had moved on. I hope all things are well with you.

The community of Lovettsville is saddened by Tena's passing and that she had a very short life. I, for one, regret that I did not recognize her need for more friendship and do something to help her. May she rest in the arms of our Lord and Savior.##imported-begin##susanne george##imported-end##
