Linda, You and your family are in my thoughts. I know how very much you cared for your Mother and it showed in every thing you did for her. I hope you find peace in knowing that she is now in a happy place. No more confusion for her, pain or suffering. Remember all the wonderful times. Reading her obituary, I was shocked to see that she worked until she was 80 years old! That is absolutely amazing! What a woman. You're in my thoughts and prayers. All my love,
