Doris & Gilbert Our thoughts went out to you when we heard of the passing of your mother. She led such a wonderful life and all of her "other Children" will remember her with fondness, including my daughter Judy Tomlin Dorsett. She loved your mom as her grade school teacher and when grown and saw your mom she always had a friendly greeting for her and your mom had a way of remembering those students from grade school. She was a wonderful role model to many, many people and I always enjoyed talking with her. Mary Tomlin & Judy Tomlin##imported-begin##Mary Tomlin Taylor##imported-end##

Mrs. Everhart was my third grade teacher twice. I am now 51 years old and still tell people that my favorite teacher was Mrs. Everhart. When I worked with Gilbert at the Post office I went up to tell him how much I loved his mom and what a great teacher she was. She will be sadly missed but will remain in my heart forever.##imported-begin##David Tavenner##imported-end##
