Raymond was such a bright light at Aldie! He always had a smile for everyone and was very helpful to me. He would open doors and help carry my materials in and out of the school. Even though I have retired and haven't seen him for a while I will always have fond memories of him!##imported-begin##Sheree Hickman##imported-end##

Raymond was a good man. I worked for him while I was in high school. The Village Market was a great community store and that was largely because of Raymond's booming personality and customer service. We had many good times together. He helped me grow up and for that I will be forever grateful. He will be missed but never forgotten.##imported-begin##Rob Wiley##imported-end##
