I met Steve in 2008 in Austin while we were training for new challenges. We had seen each other at work every so often, but in Austin we had many opportunities to talk. We became friends from that time on. After returning from Austin, we would see each other at work almost every week. Steve's bright outlook and positive attitude always made me smile. The one thing I will always remember of our passings in the halls of work is Steve's farewell to me "Cheers" . You will be missed my friend very much and I offer my sympathy to his loved ones that will miss him also.##imported-begin##Ken Pavelo##imported-end##

We are so sorry to hear of Steve's sudden death. We remember him from cricket matches 10/12 years ago, for Uckfield Anderida Cricket Club. He was a lovely man, a popular team member and a good cricketer. We send our condolences to his family in America, as well as to those in UK.##imported-begin##Jeff & Jacky Holman##imported-end##

So sad to hear the news about Steve. I have fond memories of playing cricket with him in Uckfield. He was one of the nicest blokes I've met. Wherever he is now ,I like to think he is playing a game of cricket with Laurie.##imported-begin##Andy Holman##imported-end##
