Marian Swartz lit a candle in honor of Chris Paul .

One of my fondest memories of growing up with Chris and his sister Jenny were all of the summers we spent together. Chris was always driving his sister and I around, to the movies, shopping and out to eat. (Even if he had others plans with his friends he still took us) Chris had a huge heart and an infectious smile. Chris you are always in our hearts and on our minds. Marian Swartz

It is with great sadness that I have to write this message. I have known your father for a short period of 3-4 years, but in that short period of time, I have receive much council, friendship and genuine kindness. Your loss is my loss and it truly is ashame that he is no longer with us. But I have much room in my heart for the fond memories Chris has left behind. I will treasure them always. He truly was and is a kind soul. I'm glad I am one of the few in this world who got the opportunity to just know him a little. God speed to the family and much love. To Sabrina and family: I was so devastated to hear the news about Chris. He was a good friend of mine and a great coworker at Lorenz. He was incredibly knowledgeable about so many topics and so competent at work. He could swoop in and quickly solve a sticky problem and then say, "Alright, let's go to lunch." We always had great conversations filled with laughter when Chris was around. I don't know that I ever met anyone who opened my mind more to think about things in a new way. I admired him for being a good father as well. I'm really sorry I can't be there - I'm out of town on a business trip. I will keep you and your family in my prayers.

Sweet Chris. I remember him coming to our house during his grade school years. Always smiling, always respectful. I loved that little fellow and as he grew into a handsome man, I still loved him, I always will. He came to our home in his uniform on New Years Eve one year, I was so proud, I was in awe. He was a great friend to my son Nick and a sweetie pie to me whenever I was able to see him when he came to visit in Michigan. I cannot express the grief I feel for the loss of our "Bartz". He'll not be forgotten, ever. I send many hugs and much love to his family, Chris is in my heart as is his family.
