Bonnie, Christopher and family, I can not believe that we have lost Leonard. He has had so many trails and always come through that I am at a loss to believe he is gone. So many memories of Leonard the scout master taking care of us during our Bike VA trips and giving us the advantage of his considerable wisdom on camping. I would not have a kayak if not for Leonard taking me out in his kayak. He will be missed dearly. Our prayers will be with you all.

Bonnie and Christopher; Leonard was a wonderful man and great friend. I will truly miss him. Although you all know him as a KO, many may not know, in the 80's he was a navy construction representative. Everything this young engineering ever learned about engineering, she learned from her favorite technicians and Leonard was one of them. I will miss him, and his smiling face and warm heart. The world lost a great man and good friend this week.##imported-begin##Ginny Fallon##imported-end##

The sentiments expressed by Christine could not have been said any better. I remember the day his first grandchild was born. And all the pictures of her wearing that cute little hat. He loved his family. He was a very caring and sincere friend. He genuinely cared about the people he worked with. I remember when my family was going through a Tough time. Leonard was concerned about how I was processing everything that was happening. He gave me a book to read called the PROPHET. It really helped me to understand spirituality and it did bring comfort to an impossible situation. I tried to give it back to him - and he told me "Kid do you keep it. You need to read it again!!!" All of you are in my prayers. I am so very sorry for your loss.##imported-begin##Cissy Connor##imported-end##

I write this message with a very heavy heart. Bonnie & Christopher, your husband and father will be truly missed throughout NAVFAC. I worked with Leonard from back in the NRL days when I was still a Kid; and he still called me (and everyone) Kid or Kiddo 20+ years later. He was the most caring and nurturing face with sound advice to offer to the younger ones coming into the Command; and he was a dear friend to us older ones. He was filled with pride and loved to share wonderful stories of both of you and your homelife. Bonnie, he was so proud of your career and motherly ways. Christopher, (his pride & joy) and daughter-in-law and grand-babies, to mention your names would light up his eyes whenever you asked him how the family was doing. I remember when he would bring pictures of Christophers' first vehicle into work; and how proud he was of that "Father & Son" project. He gave me lots of advice when I was pregnant with my twins (at the old age of 40)...which was kind of funny coming from a man! He will be remembered with a smile on his face and a heart as big as his body. May God love you all and may you find comfort through the wonderful memories you have with him! Sincerely & with my heartfelt Sympathies, Christine Owens###imported-begin###Christine Owens###imported-end##
