May the good lord bless and comfort the family during this difficult time. I knew Mrs. Orrison only a short time but in this short time I grew to love her and her family. I cared for Mrs,. Orrison for several months during her illness. I enjoyed our conversations about our lives and our family's. Mrs.Orrison had a great sense of humor and could be a spit fire when she wanted." I think I will miss that most about her" . I thank god for blessing me with a friend such as Mrs. Orrison. God bless and keep you Mrs.Orrison.##imported-begin##Katina Efstathiou##imported-end##
