From Wroxeter to Chesapeake Academy, Mrs. Sivy was a source of wisdom and guidance for our daughter, Melanie, and our son, Edward. She was a dedicated, inspiring educator and a cherished friend. Both Bob and I have so many treasured memories of her; she truly was a grand lady. She is -- and will continue to be -- missed. Our sincere condolences to Michael and family. We just learned of her passing and are so sad to hear the news.##imported-begin##Sharon Wilhelm##imported-end##

PLEASE accept our condolences. I am a fortunate man to have had a teacher such as Mrs. Sivy. I can say she made a difference, as did many others at Wroxeter. Sincerely, Shannon Clatchey##imported-begin##Shannon D. Clatchey & Family##imported-end##

Dear Mike, My deepest sympathy to you and your family. It's been years since we have been in touch but I have such fond memories of your mother and of your father. They were both such wonderful people and such a part of our growing up. My mother sends her deepest regrets Alexandra##imported-begin##Alexandra Fotos##imported-end##

Michael - I first met your mom when I was in her 7th grade class at Wroxter-on-Severn school in 1974. I had previously attended an open space school and had poor study skills...consequently I did poorly in her class. However, she had confidence in me..met with my parents and arranged extra study help. I can still remember her smiling face..the big dark bouffant hair with the one gray streak ..and the firm handshake. She was just very encouraging to me. Years later...we met again...in the dental office! She was a patient of Dr. Stanley Block in Annapolis and I worked there as a dental hygienist. I cleaned her teeth! I thanked her for all of her encouragement in school...she smiled her smile and said "I knew you would do well". I am proud to say I have been a practicing general dentist with my own dental office for 17 years. Thank you Mrs. Sivy...I know you would be happy for me.##imported-begin##Beth Brewster-Blank##imported-end##

Dear Mike - I was so sorry to hear of your mother's death. Whenever I visit my mom at Whitehall, I look across the creek and remember many good visits with both your parents. In our Episcopal tradition we say 'life is changed not ended' and that is true for both your mother and for you and the family. Blessings. Jan###imported-begin###Jan Hamill###imported-end###

Louise was a WONDERFUL friend to my mother, Mary Lou Bennett (who now lives in a nursing home in Severna Park at the age of 94). Lou very much enjoyed the time you and your family spent at the beach together. My thoughts and prayers are with you at this time. I now live in Colorado or would surely come to the service. I was very sorry to learn of Louise's passing and doubly sorry I learned about it too late to be able to attend the memorial service. Louise and I studied Russian together for many years and shared a love of all things Slavic. She was a dear, kind and generous soul. Condolences. I will always remember her...###imported-begin###Gina Lee###imported-end###
