He was such an inspiration to everyone and a dear kind gentle funny soul. He was so eager to please and so helpful to everyone including my mom who he would always say that he was driving Miss Daisy. My Dear Brother, you have always made me smile, we were side by side and lifetime friends. I love you so much and have enjoyed every single one of our phone calls. I'm sorry we were unable to travel to see one another. I miss you dearly, my heart is ever so sad. I remember as we were children you would chase me with the baby chickens, I would run from you to the barn, climb to the second level and was so afraid I would fall through to the bottom. Boy Oh Boy would you laugh! I know you're in heaven shining down... thanks for the ride my brother my friend my buddy! I LOVE you! I do I do..... Donald Duck - you will be missed, but remembered so fondly as a child I remember going into the Hub every weekend and all I wanted to do was see Donald Duck. I remember you carrying me around the store and making me and all the children laugh and smile. Was never sure if we were the kids or you were, but then you had a way of making us all love you! God bless you and please give Evelyn and a big hug for me. Robbie and Katrina - God bless and keep you both and may he always keep you close to him. MY heart goes out to you both! Love and blessings! Katrina and Rob-I first met your father when he got out of the navy and was working at C.Y. Halls' grocery store in Hamilton must have been early 50's-little did I know our paths would cross many times during his life-Lee worked with him and Evelyn at the Hub when I got out of the service-they later worked with me delivering the "Post" for 13 years and always told me how much they enjoyed it because it helped them wind down after a week at the store-I loved them as I loved my own parents who were also good friends to them and will love them for the rest of our lives-they will be missed by everyone who ever were lucky enough to know them and I'm sure there are Saturday night dances in heaven-Rock on Glen and Evelyn##imported-begin##Bill and Lee Lambert##imported-end##
