The first thing that you could always depend on from Randy was a good, witty, quick laugh. Next, would be his bounding energy. The third thing was that you knew he'd give you the shirt off his back if you needed it - even if it was 20 degrees out ! Randy was truly one of those rare and so very special and gifted people that one only comes across maybe a few times in a lifetime. Here's to the many, many smiles you brought to the many, many who were honored to call you friend. Rest in peace now sweet Randy.##imported-begin##Mary Elizabeth Hoyt Peterson##imported-end##
