Daddy, it's December 12, 2013. I missed you so much at Thanksgiving, now Christmas time is here again. I wish you were here. I miss you so much. I miss waking up with you on Christmas morning, opening presents. I remember the day you taught me how to ride a bike without training wheels. I was 4. I want you back, but I know you are in Heaven with your family watching over me and your grand babies, and mom. I love you so much, your loving daughter, Kathie.
