I only wish I knew Ms. Stultz (Studds) better. She gave to me one of the best friends I've ever had in her son Wayne. I first met her in 1963 when I was only 7 and saw her throughout the 70's when playing at her house with Wayne. She was a sweet lady but she ran a tough ship in keeping her son's Wayne and Brian in line. Ann did a great job because her boy's turned out to be fine men. God bless this family and remember all the good times. I lost my mom to this same dreadful disease and I know it's very tough but I also know that time heals.##imported-begin##Mr. and Mrs. Mark and Donna Thompson##imported-end##
