Danny, my condolences to you and your family. Mr. Huber interviewed me for my first job at the USGS. Straight out of college, I was very nervous. Your father took his time, calmed me down, and then he hired me. I will always remember that.##imported-begin##Pamela Gray##imported-end##

Dan & Wendy, Very sorry to hear about this. I think John Crowe might have told me that your dad wasn't doing too well lately. What a full life this tremendous man led. I'm sure you're as proud to have been his son/daughter-in-law as I am just to have known him and worked for him those few years at USGS. Our friendship would never have existed without that connection. My thoughts are with you, your family, and all the friends, neighbors, and ball players that this man touched in his own, genuine way.##imported-begin##Doug & Staci Clark##imported-end##

To the Huber Family - My heart reaches out to each of you during this difficult and sad time. Johnny and his wife Carol were my mom's neighbors and they were there for me when my mom passed 12/31/2009. To see Jonny's tears then, I can only imagine now. May all of you find comfort in knowing how many family and friends care and are there for you during this time. Even though Bob isn't there physically, you will always have memories that will never leave you.##imported-begin##Julie Ferguson-Rogers##imported-end##

From our time living in Rolling Acres to our time spent on the ball fields, Mr. Huber touched all of us. In Rolling Acres, we fondly remember his vegetable stand with the cash box left right on the bench, his "u-pik-m" strawberry patch, him leading our 4th of July parades on his tractor, and tilling our garden every spring. On the ball fields, he was always the coach every player wanted (one of us was lucky enough to have him as an all star coach). Known as the "mound man", he was a permanent fixture on the fields at Good Times, even taking the time to teach some of us how to do the scorebook. When not on his tractor, on the ball fields, or at one of his grandsons' games, we would often see him coming and going from the "old" Catholic Church. It was indeed an honor to be able to see him the day the field was dedicated to him and to also see him throw out the first pitch at the 2008 State All Star Tournament. We all had the utmost respect for him and everything he stood for. He always led by example. To the very special Huber family, you have our deepest sympathies, our never ending friendship, and much love.##imported-begin##Reavis & Burke Families##imported-end##
