While I am so blessed to still have my father with me, my heart aches at losing my "other dad". For 44 years I was always treated as one of his own, sharing in happy times, sad times, Sunday dinners and yes, even discipline! It was his time to be called home and I pray that it will help comfort the family to know that we will all be together again some day. Remember.....always blessings, never losses.##imported-begin##Jackie Allison##imported-end##
