I am so sorry to hear about the loss of your dear loved one. When a loved one dies the pain, the grief, and the feelings of helplessness can seem unbearable. At such a time we can find comfort in Jesus promise made to all who have loss loved one in death at John 5:28,29 which reads: Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out."##imported-begin##Delores Allen##imported-end##

My deepest sympathy to the Bates family. I have known Kenny for over 30 years when I lived in Lucketts. He was always kind and always said hello when I would see him. I always found it amazing that he could work all day for VDOT and then to the restaurant. We all lived across the street from Kenny and his family in Lucketts. It is always sad to lose a loved one, but you have to believe that he will be forever alive in your hearts. Kenny is in God's hands now and he is feeling great and laughing and most of all living without pain. God bless you all and may he rest in peace.##imported-begin##Cathy L. Cox##imported-end##

I was shocked to learn of Kenny's passing. I did not realize he was ill. I knew him from his job at Johnson's. My husband knew him 1st as a VDOT employee. Bill considered Kenny an honest, diligent, trustworthy employee. I always appreciated his friendly but very quiet looking after me and other regular customers.##imported-begin##Janice H.
