Uncle Jay, we will always remember you as a man who loved well. You were always an encouragement to be with, a man who routinely put the needs of others before his own needs, a man who walked with a gentle and kind spirit. We love you and we take comfort in knowing that you are now enjoying your eternal reward in a much better place. We look forward to our reunion on the other side of the Jordan. Much Love and Peace. Our family was so inspired Once we got to know Jay(Joseph), after Fran married him. Definitely a marriage made in Heaven! Jay was/is certainly one of the kindest, most compassionate, sensitive, gentle and loving angels, in God's arsenal. We have always been blessed and enriched by Jay's wisdom and his company. We thank God for including him as part of our family, through his marriage to Fran. We are greatly looking forward to joining him in Heavenly places.##imported-begin##Rick and Rachel Sparkowich##imported-end##
