Col. John Miller

JAN 6, 1929 - SEP 12, 2011

Colonel John Miller, 82, of Leesburg, Virginia died on Monday, September 12, 2011. Colonel Miller was born January 6, 1929, in Fort Morgan, Colorado. His parents, Alexander Miller and Katie Wombolt Miller, were of German-Russian descent. They emigrated to Colorado from the lower Volga region of Russia in 1912. John was the youngest of nine children. He spoke only German until attending elementary school.

John led his Fort Morgan High School basketball team to the state championships. He attended Idaho State University on a basketball scholarship, transferring to Utah State, a Western regional powerhouse, before his sophomore year. At Utah State, John led the team to three consecutive winning seasons. He was featured in Sport magazine in 1950 as a selection for that year's "dream team."

While attending Utah State, John joined ROTC and became the Commandant of the Utah State ROTC. In 1950, while attending an ROTC function in Sacramento, California, he met his wife, Nancy Dodd Miller. Within a week, he proposed marriage. Within a month, they were married in Atoka, Oklahoma, the hometown of Nancy's father.

Following graduation from Utah State in 1951, John joined the Air Force, where he was initially stationed in San Antonio, Texas. He received an Air Force scholarship to attend the business school at Indiana University in Bloomington, Indiana, from which he received a Masters of Business Administration in 1954. There followed assignments in Sealand, England; O'Hare Air Force Base in Illinois (before O'Hare International Airport was developed); Los Angeles; Madison, Wisconsin; Wiesbaden, Germany; the Pentagon; and Saigon, Vietnam. During his tenure in Vietnam, John received two Legion of Merit awards for "exceptionally meritorious conduct".

Colonel Miller retired from the Air Force in 1974 to spend time converting the antique collecting hobby that he and Nancy had developed during their travels into a business. They purchased the historic "Pink House" in Cape May, New Jersey, a Victorian gingerbread house that was required

I am so sorry for your loss. I remember as a young girl how he would come and visit the Cooperriders' in Colorado and he would play basketball with us. I just remember what a nice man he was and how tall he was. I know he meant so much to Earline, Eddie and Cathy. He will be remembered.. Take care!###imported-begin##Wini (Lee) Johnson###imported-end##
