We little knew that morning that God was going to call your name. In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone; for part of us went with you the day God called you home. You left us peaceful memories, your love is still our guide, and though we cannot see you, you are always by our side. Our family chain is broken and nothing seems the same, but as God calls us one by one, the chain will link again. Our chain is broken along with our hearts ... you fill my heart, my mind & my thoughts daily. I miss you more everyday. I Love You.

Please accept my heartfelt sympathies in the loss of your dear loved one. How comforting in knowing Almighty God has not only the power but also the desire to resurrect our loved ones. Jesus himself said: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." The loss of a son also is a part of yourself that you have lost. It is hard to be strong even when you know how brave Danny was and that he is now having no pain. Hold tight to Evie and your wonderful memories. No words anybody says will fill the void. Just know that many that knew Danny and your family want to do all they can to help you through this time. I was so glad I could be with you in the hospital. We all feel your pain and loss and wish we could do more to help your family through this time. Danny will never be gone. He lives in so many hearts and memories. His spirit lives on and you will see him again. I pray that a peace will rest upon you and your family.##imported-begin##Charlene Hite##imported-end##

"I am not there" Do not stand at my grave and weep, I am not there. I do not sleep. I am a thousand winds that blow, I am the snow on the mountain's rim, I am the laughter in children's eyes, I am the sand at the water's edge, I am the sunlight on ripened grain, I am the gentle Autumn rain, When you awaken in the morning's hush, I am the swift uplifting rush of quiet birds in circled flight, I am the star that shines at night, Do not stand at my grave and cry, I am not there, I did not die. Dee, Jamie and family... I am so sorry to hear of Danny's passing. He is in God's hands now and in your hearts forever. He is only a memory away and in the face of his beautiful daughter. I will keep you all in my prayers.##imported-begin##Lisa Owens Marshall##imported-end##
