Mike Green, 73, passed away on Saturday, October 15, 2011 after a courageous 5-year battle with lung cancer. A native of Loudoun County, Mike was born on May 4, 1938 in Middleburg, Va. He was predeceased by his parents, Marshall and Grace Green, also Loudoun County natives.

Mike was an active volunteer at Middleburg Fire and Rescue for many years before moving to Leesburg in 1980. He worked at Tysons Jeep for 32 years. Mike leaves behind his loving and devoted wife of 46 years, Barbara Green; his only-child, Kelly Green Wing; son-in-law, Kevin Wing; and his two cherished grandchildren, Brandon (10) and Lauren (5). He loved spending time with his family, including his beloved dog, Winnie, who was at his side until the end.

Mike was one of 11 children and leaves behind 5 loving sisters, Faye Wyne, June Costello, Joyce Cornwell, Alice Costello, and Bertha Gray, all residing in Fauquier County, and his dear cousin who was like a brother, Bobby Green, of Fairfax, Va. Mike had many nieces and nephews and was a good friend to many. His quick wit and sense of humor will be deeply missed.

May the Lord bless you and keep you and take away all your worldly worries and burdens. You can now shed the physical shell that had you trapped in pain and suffering that you fought so valiantly for so long. Your beautiful soul has been released and called home by our Heavenly Father. May you be blessed evermore. I pray that the Lord's grace and mercy comforts your family and friends, eases their grief and fills the void left in the hearts of all who knew and loved you. God Bless you and Rest in Peace my friend.##imported-begin##Tracey Ellis##imported-end##

After reading Kelly's message, there's not much else to say. I know first hand the pressures Mike had as a child and young man. We all know what a wonderful man, husband and certainly father he was, but also such a kind, fun loving spirit. You could feel the warmth and love coming from him. He makes me very proud to have him as a cousin. Mike will be missed greatly. Much love to you.##imported-begin##Cathy Menke##imported-end##

I can't believe you're gone, dad. You were a good dad and you made me proud. You overcame so much adversity during your unbalanced childhood and you showed me what it means to have a strong work ethic and to never back down if you wanted something. My love of cars, dogs and practical jokes I get from you. I'll miss you more than words can express. I take solace in knowing you're no longer in pain, but all that pain has transferred to me because going on without you will be hard, but we will survive. I will do everything in my power to help find a cure for cancer so no other daughter has to watch their loved one suffer like you did. I love and miss you.
