Always calling Irma "mom" I have never really known her by another name. She was a great example of a mother to me and helped guide me through my youth as Diana and I grew to become forever friends and sisters in heart. What a beautiful example of love, caring, and unconditional acceptance she showed to me. No one could ever replace her in my life. What a blessing and honor Jesus gave me in being an adopted part of this family. Thanks for accepting me and loving me unconditionally. I love you mom and miss your kind heart! See you again in heaven one day.

I have to say I did not know Mrs. Henderson; however, her daughter Diana is a wonderful friend of mine. I would like for her family to know that my thoughts and prayers are with them. A lose of a loved one is so difficult, heart breaking and a life changing experience, as Diana already knows. Diana, I am sure your mom was loving and caring, as when you receive love and kindness you give love and kindness, and that would be something your mom has passed on to you! My sympathy goes out to you and your family! Love, Cindy Boyd
