Danny you were my light when I was in a very dark place. I will always remember that you were always there when I needed you the most. I loved all our late night talks about our kids and family. I will miss your good morning text messages. They always made me smile to start my day off. I wished we had more time together but I understand that God needed you for a reason. You were a wonderful father to Liam and I know he will grow remembering the lesson's and advice you gave him. You may be gone but you will always be in my heart! I love and miss you my special friend!!!!To the Brown family, my prayers and thoughts are with you all in this time of sorrow.

I love my Uncle Dan very much and I miss him dearly. He was an amazing father to his son Liam, he should have wrote a book on how to be a good Dad. He was a very kind-hearted person to everyone he knew. I was very lucky to have him as my uncle, I wish I had more time with him.

I was very lucky to be placed on Dan's telecommunications team many years ago. I've cherished his friendship since the first day we met & will miss him greatly. My deepest sympathies to his family, especially little Liam.
