We got introduced to Steve years ago by our own mechanic that was leaving the area. I haven't let anyone else touch my car "Faith" since. I loved running into the back of the shop and giving him a hug!! Even though I know he was everyone's mechanic, he always made me feel like he was my personal one. I was extremely blessed to have had him in our lives.....He always made me feel better about any stress I was feeling about my car. What a beautiful way to save people. Heavens gain, Earths lost.

Brenda and I send our condolences and heartfelt sympathy to Cousin Betty and Vandon, to Barry and his family, to Vanda and her family, and to Erin Steve Thomas, and his family, in the passing of Steve. I have a distant memory of a visit to the Thomas household in Lamesa, TX, in the Summer of 1955. I was around 9 years of age. Betty was pregnant with Steve, and Vandon was kidding around with us, saying that Betty had a wish for some pickles and ice cream. We all had a good laugh. Not long after that, Steve arrived, and brought joy and happiness to your family these many years. John 14:1-4 Let not your hearts be troubled. You believe in God. Believe also in me. I will not leave you comfortless. I will send a Great Comforter to abide with you. I go to prepare a place for you. I will come back for you, so that you may be with me always. In My House are many dwelling places, prepared for you. Ken and Brenda Barnes Fort Worth, TX
