Gerald Anthony Landi

JUN 15, 1940 - SEP 14, 2016

Gerald A. Landi

Gerald Anthony Landi (Tony) (76) passed away on 14 September 2016 from Stage 4 lung cancer. Survived by his loving wife Ramona (Pomie) Landi of 55+ years of marriage – it was love at first sight.

Their happy union produced a son, Dennis A. Landi and a daughter, Lisa Y. Landi-Bernhardt both of Ashburn, Virginia, who also survive Tony along with his daughter-in-law, Christina M. Landi, and son-in-law, David E. Bernhardt and three grandchildren, Rhys L. Gully (29), Chelsey M. Knarr (27), Emma C. Landi (15) and one great grandchild, Rhyker J. Gully, (who arrived the day of Tony's passing) and his brother Dennis V. Landi.

Tony was born and raised in western PA. He served in the US Air Force and then worked for the Central Intelligence Agency as a career senior Intelligence officer and as a government contractor before retiring to Basye, VA to enjoy his time fishing with his grandchildren, and reviving his love of art by painting, drawing and wood-carving.

A Celebration of Life will be held on Sunday, October 16, 2016 from 2:00pm-5:00pm at River Creek Club 43800 Olympic Blvd., Leesburg, VA 20176. In lieu of flowers, please send donations to St. Jude Children's Research Hospital and his local hospice, VITAS Community Connection, Tyson's Pond II, Ste 450, 1604 Spring Hill Road, Vienna, VA 22182.

My Dear Uncle Tony has left us to share in the beauty, peace merciful love of our God. Myself along with mom and dad are grateful for the opportunity to spend a few wonderful days with my Aunt Pomie, Tony and my loving cousins! We prayed, played, we cooked...memorable "tamalada"...and celebrated their anniversary with friends and family. Hard to believe that was only a few weeks ago. My Uncle Tony has always had a special place in my heart..."He really GOT me!" he'd remind me of what is important in life....FAMILY. We've shared great fishing adventures when I was a child; exciting times gambling and playing in Atlantic City, and he was a real trooper down in TIME Square...it was freezing, crowded, and miserable ...but there he was with aunt Pomie ...they won't leave me in that mob!" I know how much my parents, brothers and family loved him....On the Sunday before his death we spoke and I reminded him of how much I loved him and how much MORE his God loves him! God has a special place for uncle Tony ...I know he is ENJOYING the warmth, the beauty and JOY of eternal life! We'll see each again...PEACE!!!!!!

Dear Pomie, Dennis and Lisa My heart goes out to you all. Jerry will always be remembered in your hearts and ours. I will always remember the year I got to Blue Spruce around 10 am and he was waiting, he looked at me and said why isn't anyone here yet. It is beautiful. Then he preceded to help us set up for the reunion.

Jerry and Becca had a sword fight with the cardboard tubes from the table runners. He was so kind to my daughter Becca, he treated her with respect and always had time for her. I will always be grateful to him. The following year we met at the park with homemade cinnamon rolls, coffee and had our own party before the reunion. God Bless you all at this sad time in your lives. Here is a picture of the cousins at the reunion 2015. Sending our love and prayers Dennis, Arlene & Becca Weaver

I am so saddened! Jerry was larger than life. His love for his family was visible every time he talked about you all. I LOVED the way he looked at Pomie. They shared the kind of love most of us only dream about. He was a gentleman and a gentle man. I know in my heart that he met his great grandson and chose him specifically for you all. We all will carry him in our hearts. He is always with me

It is hard to find the words, but know that we will be praying you. May the arms of our Savior lift you up and fill you with peace, strengthen you with hope and courage to see you through this time. We will never forget this wonderful man, more than a friend, he was a part of our family. His words of comfort, wonderful sense of humor held us up through during Doug's recent illness and his ongoing recovery. It is comforting to think that as much as we miss him, there are so many in heaven celebrating his return. We LOVE you, Doug and Ann West. Revelations 21:4 ESV "He will wipe away every tear from their eyes, and death shall be no more, neither shall there be mourning, nor crying, nor pain anymore, for the former things have passed away."

My sister and I STILL talk about the time we spent with Tony and Pomie in India. We were only 10 and 12 years old, but felt like rock stars. The house, the service, the places we went. Those long nights on the roof top, listening to my parents so happy with their friends. It's one of our best memories. Even after all this time. Sending you all love from Australia. As an Aussie living in Central Australia for thirty one years, it's rather ironic that the vast majority of my friends were (are) Americans. Tony was one of my closest and dearest friends and will remain so forever, he lives on in my inner being, he will never die. Thank you Pomie, Dennis and Lisa for being my second family although I did test your patience from time to time. Peace be with you Tony.

Dear Pomie and family, It was an honor to have had the opportunity to know Tony. So warmhearted and generous. When I first met him, I was not sure when he was joking and when he was serious. I later learned that he was usually joking, except when he wasn't. We remember fondly the times we spent with Tony and Pomie listening to his stories and laughing together. We particularly remember one warm end of summer day at our home in Cashtown when we were able to get together. Our thoughts and prayers are with you. Much love, Tom and Cinda Gibbon
