Krista M. Marting

AUG 21, 1968 - SEP 18, 2016

Marting, Krista M. 48 of Ashburn VA went to be with our Lord on Sunday September 18th with her husband and children by her side.

Krista was born August 21, 1968. She was a cherished wife and an adoring mother who was an avid runner who loved vacationing with her family or spending a day at the beach. She was a loyal and true friend and a true inspiration to all she touched - impressing all with her quiet strength and dignity.

She was a positive influence to those around her and will be dearly missed by all. Krista worked for the US Treasury office as a program analyst in the Financial Crimes Enforcement Network. Her co-workers viewed her as relentless, hardworking and dedicated.

She was preceded in death by her mother Judith Baldwin. Krista is survived by her loving husband Scott J; daughter Nicole A; son Ethan M; father Grover Baldwin Jr (June); brother Jeffrey Baldwin (Christy); grandfather Grover Baldwin Sr; and many nieces and nephews.

Krista and I met in community college and very quickly became good friends. She shared many a fun time together including nights out, vacations, boating trips, each other's weddings and pregnancies and parenting together. We had lost touch over the past few years so I was shocked to hear of her passing. Krista was a beautiful woman, inside and out and my heart goes out to her family, Scott and their children. Rest in peace, Krista.

Krista and I became fast friends through the Executive Potential Program (EPP). She was the kind of person you felt you had known for years. We hung out together outside of the EPP and well after we graduated the program. Krista always talked about her family especially her kids, Nicole and Ethan...it was obvious they were her life. Every trip we had together -- we shopped among other things -- Krista shopped for her kids and I shopped for my grandkids. I remember when she was first diagnosed...we were scheduled to have lunch but she had to cancel and I could tell something was wrong. When she told me what was going on, I knew that she would fight hard because she loved her family and its just the kind of person she is. She just didn't give up on anything worth fighting for. I am so thankful that Krista, myself, Maria and John were able to get together for lunch last year and reminisce about our time in EPP and appreciate each others friendship. Krista is one of the most genuine and kind people I have had the pleasure to know. I am so thankful for the time, laughs and a few tears we shared. May you RIP in Krista. My condolences to Krista's entire family...may the memories help to ease your grief.

I have many great memories of Krista from when I was at Charles County Community College and Towson University. I remember Krista loving the water. I took her out on my dads boat with friends several times. She was great at water skiing and she loved boating. I remember our trips to Ocean City MD and nights out in Georgetown. I will always smile when I think of how Krista enjoyed friends and life. I have not seen Krista in many years, but her memories will stay with me for a lifetime. My prayers go out to her husband, kids and family.Rod Thomas

Krista and I were on the same team in the Executive Potential Program. We bonded over early morning gym workouts (4 am!) while on travel in Phoenix, AZ. "I don't work out this much at home" she said. A life well lived and so much more to give....promise unfulfilled. RIP my friend.
